Musa ^A & His mother, Journey to Madyan, Fir'oun									

Musa^A **killed** a person by mistake & repented, then he went to **Madyan**. While returning to Egypt, he got **fire**. Allah spoke to him and sent Him to invite **Fir'oun** towards Allah.

Polytheists asked Mohammad ﷺ to bring **miracles** like Musa.

Is there any god with **Allah**??? Never, so worship Him alone. Be prepared for **2nd life**. "**Dabbah**" is a sign of Qiyamah.

Follow Allah's **instructions** & take lesson from the story of **Musa^A & his mother**.

Stay away from **hypocrites & liars** who wants to distract you. **Nuh^A & Ibrahim^A** invited people towards Allah. Their **nations** denied them. Allah sent **angels** to Ibrahim^A and destroyed **bad people** because of their arrogance & denial.

The truthful **PoB** believed in the Qur'an. On the Judgment day, false partners will **disown** their followers. **Qaroon** was punished. Hereafter will be for **pious** people who believed & succeed in **tests**.

Using **wisdom**, we can understand that Allah made this universe for our **service**. He is the **truth** & He shows us the **signs**, but **criminals** deny Him.
